ReUse Systems, Inc. Hosts Halloween Pop-Up Sale October 31

Geneva, NY –ReUse Systems, Inc. (RSI) will celebrate Halloween with a special Halloween Pop-Up Sale on Saturday, October 31, from 10 a.m. to 1 p.m. at its new home inside the Geneva Enterprise Development Center, 122 N. Genesee St., Suite A100 in Geneva.

Shoppers can browse a selection of gently used furniture, housewares, doors, shelving and more. These are quality items that still have plenty of life in them and might otherwise have ended up in the landfill.

Costumes are encouraged. Families are invited to bring their kids for Halloween treats while they shop.

About ReUse Systems, Inc.

ReUse Systems is a Geneva-based nonprofit dedicated to reducing landfill waste by diverting high-quality reusable furniture, fixtures, equipment and building materials from the waste stream and putting them back into productive use. Through partnerships with educational institutions, businesses, municipalities, and the community, RSI promotes sustainability while making reusable items affordable and accessible throughout Ontario County and the Finger Lakes region.
